A vendor with Countryside Farmers' Market since 2007.

The Greenfield Berry Farm is a Certified Naturally Grown farm that features pick-your-own blueberries and raspberries and offers a wide variety of small fruits and vegetables. This year we expect to offer the following: strawberries, garlic, gourmet potatoes, edamame, sweet potatoes, pumpkins, and sunflowers for cutting. Honey is also available from our hives. We feature jams and other farm-based products. The Greenfield Berry Farm is located in the heart of the beautiful Cuyahoga Valley National Park and is a Countryside Initiative Farm. This historic farmstead is surrounded by 33,000 acres of protected land and is situated on the outskirts of Peninsula Village at the intersection of Major and Oak Hill Roads. Perched at the edge of a wide plateau, the Greenfield Berry Farm affords visitors a charming place to pick berries and purchase vegetables, jams, honey, and more.
